

St. Albans Primary School

5th June, 2020

Dear Parents and Carers,

As of Tuesday 9th of May 2020 all students will return to onsite learning. To avoid congestion and to allow parents to socially distance while dropping off and picking up, next week we will continue the staggered arrival and dismissal times.

Students are to come to school in family groups starting with the youngest child.

We are encouraging families to use the same gate each day.

Parents and visitors are not allowed onsite.

Year level Plus Siblings	Drop Off	Pick Up
Preps plus siblings	8:50am	2:50pm
1/2 plus siblings	9:00am	3:00pm
3/4 plus siblings	9:10am	3:10pm
5/6	9:20am	3:20pm

Children are not to come to school sick, they must stay at home this is the advice of the Chief Medical Officer of Victoria.

Thank you for your support during this time.

Yours sincerely,

JOANNE RICHMOND
