FROM THE PRINCIPAL

Dear Community,

As the term draws to a close, I would like to thank all the staff, students & families for their hard work & support this term.

We would like to remind parents that we continually post school news, events, and photos of your child's time at school on our Facebook Page and our school website. Please follow us on Facebook and visit our school website to see all the above. Only students who have returned their permission form and ticked yes to photos will have their pictures on these sites.
