

St. Albans Primary School

11th April, 2020

Dear Community,

Following advice from the Department of Education and Training we will be moving to remote and flexible learning from Term 2, to help slow the spread of coronavirus (COVID-19). **This means that all students who can learn at home must learn from home. This is a very clear directive from the Victorian Government based on the advice of the Chief Health Officer.**

The Department's latest advice on coronavirus can be found at <https://www.education.vic.gov.au/coronavirus>

At the end of last term you were provided with your child's learning from home pack with lessons and resources for the first two weeks of term 2. A staff member will contact you via phone next week to follow up.

We will also be providing families with further advice and information on remote and flexible learning next week.

It is important that we work together and support each other during this challenging time.

You can contact the office from Tuesday 14th April for further information or advice.

Please continue to stay safe and healthy.

Yours sincerely,

JOANNE RICHMOND
PRINCIPAL
